In addition to these things, it is always helpful to label your child's clothes. Girls are asked to wear a cover-up or shirt/shorts to and from the pool. Boys need to have shirt in addition to swim trunks. We will have our "COLOR WAR" game, so please pack clothes specific to this event (light colors preferred). We use corn starch based color powder, like what is used in color runs. The snack shop is not run by our camp. Please discuss with your kids how to "budget". Bathing suit restrictions are provided to us by the camp owners. Fishing equipment is not required, but if your child would like to fish it would be beneficial to have.
